Sunday, April 17, 2011 OBAMA'S MOTHER ALIVE? A MULTI-IDENTITY CRIMINAL IN HIDING? The Geitner Obama Connection,you can run but you cant hide

“The real reason is that Madelyn’s Dad worked for Rockefeller’s Standard Oil Company. In 1973 David Rockefeller founded the Trilateral Commission (TC) with the Marxist-praising Zbigniew Brzezinski as its director. Zbigniew Brzezinski is a foreign policy advisor to Obama. What these Trilateralists truly intend is the creation of a worldwide economic power superior to the political governments of the nation-states involved. The place to start is with the banks and development of “predatory lending” schemes that would eventually collapse Capitalism and pave the way for Socialism. It should also be noted that Stanley Dunham (Obama’s grandfather) started an Oil company for Lolo Soetoro in Indonesia .. so that Standard Oil could make transfers to Indonesia under Lolo’s Oil front.

Twenty-percent of the Standard Oil company’s Oil went to powering German Submarines during WWII using Lolo’s Oil front.”

We can now see how the Middle East and Western Globalists (Rockefellers etc.) connections started above. It is also why anyone part of this globalist micro-finance scheme (including the Clintons) using the old Muslim money system of hawala with modern credit card laundering, including ATM transfers with the direct quid pro quo involving non profits and the indirect infiltration of funds via some very connected Muslim billionaires, topped off with the public airwaves as a public paid for propaganda ministry, has deep ties between the Indonesian and certain US banking systems over the course of several decades.

On to some research

.....  
An alias for Stanley Ann Dunham was found as a “relative/associate” of Madelyn L. Dunham, Honolulu, HI: “Kelly A. Dunham.”

Dunhams had only one daughter, Stanley Ann. Therefore, Kelly Ann, who does not seem to have any other history, is likely an alias for Stanley Ann.

An alias search for Stanley Ann at recordsarea.com shows the following information:

\* Kelly A. Dunham, associate/relative of Madelyn L. Dunham, Honolulu, HI; \* Kelly A. Shippleck (Kelly A. Dunham), Phoenix, AZ [is this a third marriage or an alias for real estate/money laundering?]. \* Sandra Dunham (Sandra Lee Dunham), OH, FL \* Susan N. Dunham, HI, CA. Ste (Stephen) Dunham, Honolulu, HI (Stanley Ann chooses another male name?) \* Stephen O. Dunham, Honolulu, HI \* Scott A. Dunham, (Stanley Ann chooses a second male name?), HI, WA, OR, TN, VA, IN.

A lot of research has been done on the ominous real-estate scams by the Dunham family and their partners. Some of the research links this money-laundering scheme using counterfeit money and stolen credit card info back to Lebanon.

Ann Dunham was possibly not an America citizen - and went to school in Beirut, Lebanon. Possibly, the family was smuggled into the US as spies. No wonder Obama refuses to show his BC. Take a look at the image below:

Those initials on her jumper are reported to stand for: College Notre Dame de Jamhour in east Lebanon. It is typical of the '50's to have your clothes monogrammed.

Now .. back to topic.

There is also a Marriage notice from Kelly A Dunham to a James Allen in 1999 (  
<http://www.bocweb.dlnrbc.hawaii.gov> )

Document No: O135737 Fee: \$10.00 Recorded: 1999-07-15 Class:

LCO Grantor(s): ALLEN KELLY L ETAL DUNHAM JAMES T ETAL DUNHAM KELLY A ETAL  
Grantee(s):

Description: NOTED ON CT 462913 MARRIAGE

Note according to records, Kelly A. Dunham passed on in 2007:

KELLY ANN DUNHAM (born) 08 Nov 1964 (died)19 Feb 2007 (V) 14094 (Lockport, Niagara, NY) (none specified) (SS number) 079-52-7004 New York

There is a connection to:

Ann Dunham Kelly Dunham Patricia Dunham

I searched Patricia Dunham and it comes up with that James T. Allen (James T Dunham) connection just as Kelly Dunham does.

Document No: L2115186 Fee: \$10.00 Recorded: 1994-02-03 Class: AM Grantor(s): DUNHAM JAMES T & WF DUNHAM PATRICIA A & HSB Grantee(s): GENTRY MTG CO LTD Description: NOTED ON CT 423875 MTG 2076542

A new discovery - as previously, Patricia A. Dunham was linked only as the registrant to the Dunham foreign profit company, Dunham Enterprises (see below). The records above directly link both Kelly A. Dunham and Patricia A. Dunham to James T. Allen (Dunham). It means both aliases are/were used by the same person – Stanley A. Dunham. It is now clear that Stanley A. registered this business using the Patricia A. Dunham alias:

TRADE NAME DUNHAM ENTERPRISES FILE NUMBER 321149 ZZ CERTIFICATE NUMBER 4034202  
STATUS Active PURPOSE CONSULTING EXPIRATION DATE Jun 27, 2010 REGISTRATION DATE Jun 28, 2005 MAILING ADDRESS 1134 KINAU ST #901 HONOLULU, Hawaii 96814 UNITED STATES  
REGISTRANT PATRICIA ANN DUNHAM

If Patricia A. Dunham is an alias for Stanly A. Dunham (which the records above irrefutably suggest), according to the registration date of said business above, it would have to mean that Stanley A. Dunham is still alive and that she didn't pass away.

I guess now you can see why the hospital in Hawaii that was said to have taken care of Stanley A. prior to her death has no knowledge or records of her having been there.

The address of this business (when viewing Google Maps) is only one block away from where Madelyn

Dunham was said to live.

Stanley A. also spelled her last name “Sutoro instead of Soetoro” on some real-estate transactions. You can see this below:

Document No: B20784528 Fee: \$5.00 Recorded: 1987-06-16 Class: R Grantor(s): DUNHAM STANLEY A SIMLOG LEASING CORP SUTORO STANLEY A D Grantee(s): DUBEY KRISHNA ETALS GARRETT RICHMOND ETALS MORRIS ELDON W ETALS SHAW JOHN ETALS SWAN DONALD ETALS U S A IRS TMK:

Description: JDGT IN 17656/556 & C

SIMLOG (see record above) is/was a leasing company — it was a HI registered business but a Washington State Corp. (registered originally in Washington State)

State of HI de-listed/de-certified SIMLOG for failure to file annual reports of some kind.

Research indicates Obama’s mother was the front (was a corporate officer) of this business — and may be connected to the IRS Lien against her.

All the players in this game of hoarding US tax\$ and doing money laundering schemes have solid connections. In fact, there is even a solid connection between Obama and Thomas Ayers (Bill Ayers father). The same holds true for Peter Geithner (Treasury Secretary Geithner’s father). The Fathers of these men were all involved in real-estate schemes while each one claiming to be a “Philanthropist” (aka Communist) and setting up fronts to funnel in Grant money.

The Obama-Ayers connection has been presumed to be only that between Obama and William Ayers. However, there is a direct Obama-Ayers connection between Obama and Thomas G. Ayers (photo), father of William Ayers and the retired president and CEO of Commonwealth Edison, that predates the 2005 mortgage with Northern Trust.

According to the 2001 annual report of the Chicago Public Education Fund, Thomas Ayers and Barack Obama both served as members of the Fund’s Leadership Council.

Here it should be mentioned that until May 1994, when he had passed the Company’s mandatory retirement age of 75, and was therefore no longer up for re-election, Thomas G. Ayers served on the Finance Committee of the General Dynamics Corp. board of directors with Lester Crown, the largest share holder. It just so happens that Northern Trust was the trustee of the corporation’s Salaried Savings Plan and the Hourly Savings Plan overseen by the Committee.

The Obama/Geithner connection:

Peter F. Geithner, Treasury Secretary Geithner’s father, worked for the Ford Foundation.

Peter was director of the Asia program at the Ford Foundation, a New World Order (NWO) operation. Peter Geithner oversaw the “microfinance” programs developed in Indonesia by Ann Dunham-Soetoro, Barack Obama’s mother.

Did you know that when Son of Stanley was going to school in Los Angeles, he went with a Pakistani friend to visit his mother in Indonesia, who was working for Peter Geithner at that time. After this, he spent a couple weeks in Pakistan, before he abruptly transferred to Columbia in New York where Peter Geithner was headquartered

And now you ask, what about the Saudi Arabia connection?

It reeks of more real-estate fraud (how'd you guess?) Remember Tony Rezko? A Saudi national. Tony Rezko had direct contact to Prince Alwaleed of Saudi Arabia. Obama charmed Rezko as Senator, letting Rezko set up illegal real-estate scams in Obama's Chicago district. Obama got major kick-backs from the illegal Rezko land deals. He also got major donations from his new Sugar Daddy, Prince Alwaleed. Alwaleed was ripe for the plucking, because Alwaleed has been trying to buy up America and control certain businesses, including the media. For example, Alwaleed has millions of shares in Fox News (among other media stations). He bragged about telling Fox to change their tune on Obama or else he'd pull his stock.

These radical Muslims all have a common goal – to destroy Israel. It is why Obama has all the Iranian connections as well. The plan is to build up Iran big-time using US tax\$ (including their long-arm Hamas).

Obama has funneled a lot of US tax\$ to Iran through a front company called the “Earthquake Relief Fund” set up by one of Obama's clients (AHMAD P BARAVAT) when he was practicing Law.

Guess what Obama was defending Ahmad for? You guessed it right again .. real-estate money laundering.

You can see Ahmad wasn't even that creative with his aliases, but made certain he used the name every Muslim can identify with:

So, now do you think “leaking” the blueprints for Marine One to Iran through a Peer-to-Peer network by Obama was a mistake??

You sure didn't hear it via the MSM, but Computerworld reported it, but with a very nice spin to it as to not be criticized:

From ComputerWorld:

“Classified information about the communications, navigation and management electronics on Marine One, the helicopter now used by President Barack Obama, were reportedly discovered in a publicly available shared folder on a computer in Tehran, Iran, after apparently being accidentally leaked over a peer-to-peer file-sharing network. “

New discovery shows without a doubt, that Stanley A. Dunham is also Kelly A. Dunham and Patricia A. Dunham. Patricia A. Dunham registered a business (block from where Madelyn is said to have lived) called “Dunham Enterprises” in 2005.
